

## Kanab Treasure Quest - Wild Wild West

Welcome to Kanab's second annual Treasure Quest!

Saddle up! The fun is about to begin!

- ❖ IF YOU NEED TO CONTACT KANE COUNTY EVENTS (Event Organizers) FOR ANY REASON, PLEASE DO SO PUBLICLY ON OUR FACEBOOK PAGE, KANAB TREASURE QUEST. IF THERE ARE QUESTIONS OR PROBLEMS, LET'S ASK AND ANSWER THEM PUBLICLY, NO PRIVATE MESSAGES, CALLS OR TEXTS.
- ❖ All pictures and video must have been taken during the hunt and must be taken by you. (No copying from the internet or anywhere else)
- ❖ Always play fair. Don't let your competitive instincts drive you to ruin other people's chances to win, if you do – you might be disqualified. This means no cheating, lying, stealing, sabotaging, or copying other people's work. Sabotaging other participants will result in disqualification.
- ❖ If you purposely break any of our props, you will be disqualified! We will have cameras on location. Yes even the ones outside of town. Please contact our Facebook Page with the prop #, Kanab Treasure Quest, if a prop is broken or you cannot reset it.
- ❖ You must reset each prop when you are done so that the person following you has to figure it out.... Leaving it unset just gives them the advantage.
- ❖ Download a QR code scanner to your phone. There is one within the game, but you will need it to scan them outside the game also for special hints and clues.
- ❖ Please!! Pack it in, pack it out. Leave it how you found it.
- ❖ Local cell service can be patchy and you may lose coverage in certain areas, but you can continue to play the game and you can upload your accomplishments
