

WINTER SPORTS SCHOOL FEE SCHEDULE & SPEND PLAN – 2025

In accordance with Utah laws governing the assessment of fees in public education, The Winter Sports School has adopted a [School Fee & Fee Waiver policy](#) and the following Fee Schedule for the 2025-2026 state school year, which corresponds to the WSS 2025 school year. The fees listed are the maximum amount that a student may be charged for that activity, and all fees are non-refundable and payable on or before March 1st, 2025.

Required Fees & Fee Waiver Information | Beginning with the 2025-2026 academic year, Utah schools may no longer charge Required Fees for materials, services, and activities related to curricular or co-curricular programs, except in limited circumstances as outlined in this fee schedule. Any Required Fees charged may be waived if the student's family meets certain criteria as determined by the State of Utah and files a fee waiver application with WSS certifying their eligibility. Eligibility criteria and information about the application process are outlined on the [Utah Board of Education School Fees website](#). The [Utah State Board of Education \(USBE\)](#) generates and maintains the [waiver application form](#), and questions regarding school fees or fee waivers should be addressed to the Head of School who serves as our Fee Waiver Administrator. The Winter Sports School will evaluate all waiver applications in a fair and unbiased manner, following the eligibility criteria, guidelines, and processes contained on the waiver application form, and will provide a decision to each applicant in a timely manner. Waiver application forms may be obtained from The Winter Sports School office and are available on the [Utah Board of Education School Fees website](#) as well as the [WSS website](#).

Fines & Other Charges | Additional charges or fines may be issued when conditions are met to require these.
